

SUMMER FIELD TRIP SCHEDULE

Who's ready for some fun summer field trips?! Below are all the field trips this summer. If at anytime you would like to chaperone a field trip, please let us know! We are always looking for extra hands!

SOME FRIENDLY FIELD TRIP REMINDERS:

- If there is a field trip that you do not want your child attending, you do need to find alternate care during the time of the field trip. We do not have room in other classes to place an older child.
- Please make sure that permission slips/waivers are signed and payment for the field trip is made prior to that day. If we do not receive payment, you'll need to find alternate care during the field trip time.
