

February Newsletter 2019

Happy Valentine's Day Month everyone! Let's take a little time to reflect on the people we love and care about the most!

February is filled with so many fun things for us. First, Groundhogs day is February 2nd. Let's hope it's a cloudy one and we can get spring to come a little early.

The first full week of February is Dental Week. We will be learning about the proper way of brushing and flossing our teeth, and why it is so important to go to the Dentist. The second week is Valentines Day Week. This week we will be making Valentines for our loved ones and having a Valentine's Day Party on Thursday the 14th. There will be signup sheets in front of each classroom for parents to sign up to bring in treats if you would like. This is also the day where your child can bring in Valentines for their friends to pass out in the classrooms. February 18th is Presidents day. This week we will be learning all about our past and our current Presidents. The last week of February is one of our favorites! Dr Seuss Week!!!! We will be reading all Dr Seuss books and doing some cool projects as well.

On Friday February 15th there is a no school day for all ages. We have a sign-up sheet posted in the walkway, please check yes or no if your child will be attending that day. Just a reminder, it is an extra \$15.00 for a no school day if your child attends Kids Kampus. Also on February 15th from 9:30am-12:30pm, the 3s, 4s, and After schooler's will be going on a field trip to Alpine Lanes to go bowling! The cost for the field trip is \$16.00. The children will be getting pizza and beverage provided by Alpine Lanes.

One last reminder, please make sure tuition payments are made on your child's first day of attendance every week. If you would like to make a payment for the month, we ask that you pay it the first week of every month. Also, with tuition, if your child does not attend a day due to sickness or holiday you still pay for that day unless you are using a vacation day. Please fill out a vacation form (they are up front in a binder). Each family receives vacation based on how many days they attend. If your child attends 5 days you get 10 vacation days, 4 days is 8 vacation, and 3 days is 6 vacation. The only reason you may not receive vacation is if your child does not attend in the summer. Any questions don't hesitate to ask.

We hope everyone has a Loveable February!

Happy Birthday!!
